Hello colleagues Sign Language teacher,

How are you? Thank you for your interest in our company and our trainings TPRS special for Teachers Sign Language (SL)

Here is some information for you:

Two years ago we were at Prague (Czech Rep.), at congress Lesico and One year ago we were at Paris (France). Lesico is a congress for teachers SL all over the world. At this congress we had given a presentation about our new teaching material; courses TPRS Sign Language for second language learners. (TPRS = teaching proficiency through reading and storytelling).

January en February 2015 we had given training TPRS "The whole story in SL" to teachers SL. The training was at Milano (Italy) en we stayed there for 2 weekends.

Also in the Netherlands we have offered these trainings to teachers SL. All the teachers were very enthusiastic. They all made their exams TPRS (theory and practice) with success! Now we can tell you there are 32 TPRS SL-teachers in the Netherlands, Belgium and Italy!

Are you curious now? We have information for you, also in International Sign.
